Penola Coonawarra Wellbeing Sub Fund

The Penola Coonawarra Wellbeing Sub Fund, a sub fund of the Stand Like Stone Foundation was established in 2008.

The aim of this sub fund is for it to become a lasting legacy to benefit charitable projects within our community, to which monies can be added.

Penola Coonawarra Wellbeing Sub Fund

How Does it work?

Donations can be added anytime to this Sub Fund. These monies remain in perpetuity, that is, the original money is never spent. It is the interest from the money that forms the Grants, which are used for charitable purposes within the community. Any donation made to the 'Penola Coonawarra Wellbeing Sub Fund' is a long term investment in the future of our community thus assisting and supporting charitable initiatives.

How Can You Help?

No matter how small your donation is, it will make a difference. "Out of small things, big things grow". Donations can be tax deductible. Other communities in the Limestone Coast also have the opportunity to establish Sub Funds within the Stand Like Stone Foundation for benefits for their region. There is also an opportunity for organisations or individuals to establish sub funds for charitable purposes. This has already occurred in Mount Gambier, Beachport and Keith. There are two such sub funds that have been established for our Penola Coonawarra area.

The Stand like Stone Foundation through the Back to School Program has supported over 128 students attending schools in Penola and has given grants to the following charitable projects in the Penola district: McKay Children's Centre Parent Information Night, Penola Blokes Shed and the Penola Community Library.

All gifts are important - no matter the size, so please help us help our community.
